

Lexmark X850e / X854e

Intelligent departmental MFPs.

uncomplicate
the way you work.

A photograph showing three people (two men and one woman) working together at a light-colored conference table. They are looking down at papers on the table, which appears to be a reflective surface. In the foreground, a large white Lexmark X850e/X854e Mono Laser Multifunction Printer is positioned on the left side of the table. On the table, there is also a green mug, a smartphone, and a printed architectural blueprint of a building complex. The background is a plain, light-colored wall.

Mono Laser Multifunction Printers

LEXMARK

Lexmark X850e and X854e: An affordable path to workgroup efficiency

Lexmark's high-performance X850e and X854e monochrome wide-format MFPs are specially designed to meet the needs of your rigorous business applications.

With a time-to-first-page of less than 5 seconds, plus lightning-fast output speeds of 35 pages per minute for the X850e and 55 pages per minute for the X854e, your workgroups will now spend less time waiting and more time working.

The Lexmark X850e and X854e can take up to 3,100 sheets of paper input at once and with the option to take a massive 5,100 sheets, so you spend much less time refilling. With both offering an optional finisher for stapling, stacking and hole punching, you now gain the uninterrupted performance you need to stay productive.

Taking care of all your printing, copying, scanning and faxing needs, these intelligent, departmental units are designed to do it all, making them the essential tools for your large workgroups to Work Easy, Work Smart and Work Fast.

Now showing on the big screen...

Boasting Lexmark's unique e-Task colour touch screen, the X850e and X854e are easy to use, even for first-timers.

e-Task colour
touch screen

With a common screen across all new colour touch-screen MFPs, users can become familiar with the interface quickly, reducing training time and increasing productivity.

Providing an extremely practical way to access even the most advanced features, the intuitive and fully customisable touch screen is your gateway to greater business efficiency. Customise your screen to access electronic forms or create short cuts to simplify and automate complex business processes.

Fast! Up to 55ppm
Copy/print speed improves productivity by reducing waiting times

Colour scanning At the touch of a button. The duplex ADF gives users the option to scan originals in full colour, increasing workflow capability

Easy to use e-Task colour touch screen minimises the learning curve

USB Flash drive interface for scanning and printing images and PDFs

Fax modem standard
Eliminates need to purchase additional fax accessory

Scanning and copying made easy

Sporting a wide-format A3 colour flatbed scanner, the Lexmark X850e and X854e are perfect for scanning and copying big documents. You can even conveniently scan straight to a USB drive or preview scans on the LCD screen so you can check you're sending the right material and the orientation is correct.

If you need to scan double-sided colour originals, simply place your stack on the 75-page duplexing Automatic Document Feeder, touch the screen and go! You can scan up to 55 pages per minute in mono and 27 pages per minute in colour, minimising wait times and maximising work times.

If you need to make a copy and a large print job is in progress, you can pause the job to make your copy, then restart the print job once you're done, giving priority to the user at the device and maintaining office productivity.

Solutions-ready

Lexmark has a range of customisable software solutions that can be coupled with the X850e and X854e to take your workflow efficiency to new levels.

The X850e and X854e are equipped with Lexmark's Embedded Solutions Framework, offering you network-friendly, native support for Lexmark's wide range of enterprise solutions such as OptraForms, ImageQuick, DLE applications and many others.

Do you need to scan, process and route documents on an enterprise scale? Lexmark Document Distributor Enterprise 4.0 lets you do so, offering clustering, management and security features required by the largest business environments.

How about capturing key business documents at the point of transaction? We have several tools that can let your business reap the benefits of distributed capture.

Keeping your critical information safe

The Lexmark X850e and X854e offer specially designed security features to ensure your critical information remains secure.

Your printer network can be managed comprehensively and securely via Lexmark's MarkVision software. You can rest assured all your valuable network data is locked up tight. This robust system is designed for enterprise-level security, including disk wiping, encryption and physical cable-lock protection.

Even with their long list of advanced security features, the Lexmark X850e and X854e are still user-friendly, with users only requiring standard network information to log-in when security is enabled.

These flexible security features translate to safe network communications and secure information storage.

Technical Specifications

Print

Print technology	Monochrome Laser
Print speeds	X850e - Up to 35ppm, X854e - Up to 55ppm
Time to first page	4.9 seconds
Resolution	600 x 600 dpi, 1200 x 1200 dpi, 2400 Image Quality
Connectivity standard	USB, Parallel and Ethernet
Compatibility	PCL 6 Emulation, PostScript 3, Personal Printer Data Stream (PPDS) Migration Tool, PDF v1.5 Emulation
Direct print formats	JPEG, TIFF, GIF, BMP, PNG, PCX, DCX, PDF, HTML
Font selection	PCL 6 - 84 scalable, 2 bitmapped; PostScript 3 - 158 scalable; PPDS - 39 scalable, 5 bitmapped; PDF 1.5
Optional solutions	Bar Code Card, IPDS and SCS/TNe Card, Forms Card - Single Byte, Forms Card - Simplified Chinese, PRESCRIBE Card, Font cards - Korean, Japanese, Simplified Chinese, Traditional Chinese

Copy

Copy speeds	X850e - Up to 35ppm, X854e - Up to 55ppm
Resolution	600 x 600 dpi
Maximum copies	999
Features	Custom Job Build, Job Cancel, Job Interrupt, Job Preview
Reduce / Enlarge	25 to 400%
Copy collation	Supported
Paper save functions	2 Up Portrait, 2 Up Landscape, 4 Up Portrait, 4 Up Landscape, Booklet Creation
Copy enhance quality features	Background Removal, Contrast, Shadow Detail, Darkness, Date/Time Stamp, Message Overlay, Paper Saver

Scan

Scanner type	Colour/Mono Flatbed Scanner with ADF
Scanner technology	Charge Coupled Device (CCD)
Connectivity standard	Ethernet
Resolution	600 x 600 dpi (Mono), 600 x 300 dpi (Colour)
ADF type	Recirculating Duplex ADF with C-Path
Scan destinations	Network TWAIN, USB Thumddrive, E-mail, FTP, LDSS, Scan to PC
Reduce / Enlarge	25 to 400%
File formats	TIFF, JPEG, PDF
Directory access	LDAP Lookup, Microsoft Exchange, Custom Accounts
Scan area	Flatbed - Maximum 297 mm x 432 mm
Scan preview	Available
Standard input	75 sheets
Standard output	75 sheets - with Job Build enabled additional pages can be scanned as one document
TWAIN Drivers	Provide remote scanning capabilities to Windows and Macintosh. Network SANE drivers provide remote scanning capabilities for Linux workstations. These drivers allow TWAIN (or SANE) compatible applications to acquire raw scan data directly from a networked Lexmark multifunction printer.

Fax

Transmission speed	33.6 kbps
Fax redirect	To another fax, eMail, FTP, LDSS
Fax from PC	via PostScript 3 driver
Speed dials	Greater than 500, based on 10-digit phone number
Directory access	LDAP Lookup, Microsoft Exchange, Custom Accounts
Compatible with following fax servers	Biscom, Equisys, Omtool, RightFax and more
Storage	Up to 20 GB access of 80 GB HDD
Fax backup	via HDD
Additional features	Group fax, Delayed send, Broadcast send

In Australia Lexmark partners with Planet Ark to collect and recycle toner and ink cartridges. Visit www.lexmark.com.au for more details.

Lexmark supports the environment by reducing paper wastage. As one of the many environmental initiatives Lexmark does not pre-print brochures.

Other Specifications

Processor	625 MHz
Memory	Standard - 256 MB, Maximum - 768 MB, Optional - 128 MB, 256 MB and 512 MB
Hard disk drive	80+ GB
Hard drive type	3.5" PC Internal Drive, UltraDMA 7200 RPM
Optional flash memory	32 MB or 64 MB via Flash Memory card
Duty cycle	X850e - 150,000 pages per month. X854e - 300,000 pages per month
Standard input	3,000 sheets + 100 sheet MPF
Maximum input	5,100 sheets
Standard output	500 sheets
Maximum output	3,800 sheets
Paper handling options	500-sheet Drawer, 2000-sheet High Capacity Feeder, Finisher
Media supported	Card Stock, Envelopes, Paper Labels, Plain Paper, Transparencies
Media weights supported	Paper: 64 - 216 gsm. Card Stock: Up to 216 gsm
Paper size	A3, A4, A5, Executive Folio, JIS-B5, Legal, Letter, Statement, Universal, Envelope 10, 73/4 , 9, B5, C5, DL
Optional adapter	N4000, N7000 & N8000 series including Gigabit, Wireless options, IEEE 1284-B Parallel Card, RS-232C Serial Card
Option slots	DRAM DIMM, ISP (INA), Firmware Card, Flash Memory Card
Network management software	MarkVision Professional
Operating systems supported	Windows: 2000, NT, Me, XP, Server 2003, 98 2nd Edition, XP Professional x64 Novell Netware: 3.2, 4.2, 5.x and 6.x UNIX: Sun Solaris 7,8,9,10, HP-UX 11.00, 11.1, IBM AIX 5.1,5.2,5.3 Linux: Red Hat Linux 7.3,8.0,9.0, other systems IBM: IBM iSeries and AS/400® Systems with TCP/IP with OS/400 V3R1 or later, using OS400 Host Print Transform
Security features	Printing Lockout, Confidential Print Setup, Disk Encryption, Hard Disk Wiping, Restricted Server List, Digitally Signed Firmware Updates
Warranty	Two Years Onsite Repair ¹
Size (H x W x D)	832 x 640 x 649 (with trays retracted) 832 x 850 x 649 (with trays extended)
Weight	106 kg
Power	Average Power while in Continuous Printing is 760 Watts. Average Power in Standby is 95 Watts. Average Power in Standby with Power Saver on is 25 Watts. Energy Star Qualified
Acoustics	32 dB(A) ready; X850e: 52 dB(A) printing; X854e: 53 dB(A) printing
Part Numbers	X850e - 10D1581, X854e - 10D1582 Ships with 30,000 ² page Regular Cartridge and 48,000 page Photoconductor Kit with X850e, 70,000 page Photoconductor Kit with X854e Aftermarket Supplies: 30,000 ² page Regular Cartridge - X850H21G 48,000 page Photoconductor Kit for X850e - X850H22G 70,000 page Photoconductor Kit for X854e - X850H22G 15,000 staples - 25A0013
